

ProTec Sales

Process Technology
Solutions for
Industry

We are proud to represent the following select manufacturers:

Liquid/Solid Handling, Mixing, Separation & Treatment Particle Size Analysis, Dust Abatement & Control

 VEOLIA WATER <small>Solutions & Technologies</small> Water treatment & Filtration Systems	 SpinTek filtration SX filters Tubular Ultrafiltration Membranes Centrifugal Membrane Filtration	 Dust Solutions Incorporated Agglomerative Dust Control
 Whittier Filtration Auto-Jet® Self-Cleaning Pressure Leaf Filters	 TEFSA USA <small>Subsidiary of Applied Process Equipment, Inc.</small> Process and Wastewater Treatment Equipment	 Engart Dust Extraction Systems
 Krüger Equipment for wastewater and drinking water treatment		 EKATO Mixers & Agitators, Seals Liquid/Solids Mixing & Drying
 N.A. Water Systems Design-Build Water Treatment Plants With Guarantees	 RPA <small>RPA Process Technologies A Dornier Company</small> Horizontal Belt Filters Self-Cleaning Filters & Strainers	 SPLIT ENGINEERING <small>Digital Image Analysis Systems • Software • Service</small> Split-Online® Digital Image Analysis Systems for Quantifying Rock Fragmentation Size, Shape and Colour

Evaporators, Crystallizers, Pressure Relief Valves, Piping Support Systems

 HPD Evaporators Crystallizers	 LISEGA Constant Hangers Spring Hangers Rigid Struts Pipe clamps	 LESER Safety Valves and Safety Relief Valves
